 Before assembling the Fjordsen LIGHT 140 roof top tent, read and act on the following instructions and information.

Assembly

Assemble and use this product after the assembly instructions and safety instructions have been read and understood. Only assemble the roof tent in accordance with this installation manual. The steps mentioned and the safety instructions for installation, operation and use of the roof tent must be followed. Even the smallest deviations can lead to incorrect assembly or incorrect use. Remove all parts from the packaging and lay them out clearly. Each step will clearly describe and explain which parts are required for the installation of the Fjordsen LIGHT 140 roof tent.

SAFETY & WARRANTY

Do not make any modifications to the supplied parts. Warranty claims are not accepted and we can no longer guarantee the correct functioning of the roof tent if modifications have been made. We are not liable for any damage caused as a result of improper installation, operation or modification. Fjordsen cannot be held responsible for accidents or damage to the vehicle or material damage. The Fjordsen warranty does not cover: defects due to circumstances beyond Fjordsen's control. These include, but are not limited to, misuse or failure to assemble, assemble, or use the product or accessory in accordance with Fjordsen's written instructions, FAQs, and safety guidelines.

 Lesen und befolgen Sie die nachstehenden Anweisungen und Informationen, bevor Sie das Fjordsen LIGHT 140-Dachzelt installieren.

EINSTELLEN

Montieren und verwenden Sie dieses Produkt, nachdem Sie die Montageanweisungen und Sicherheitshinweise gelesen und verstanden haben. Montieren Sie das Dachzelt nur gemäß dieser Installationsanleitung. Die genannten Schritte und die Sicherheitshinweise für Installation, Betrieb und Verwendung des Dachzeltes sind zu befolgen. Selbst kleinste Abweichungen können zu fehlerhafter Montage oder Missbrauch führen. Nehmen Sie alle Teile aus der Verpackung und legen Sie sie klar ab. Jeder Schritt beschreibt und zeigt deutlich, welche Teile für die Installation des Fjordsen LIGHT 140-Dachzeltes erforderlich sind.

SICHERHEIT & GARANTIE

Nehmen Sie keine Änderungen an den mitgelieferten Teilen vor. Gewährleistungsansprüche werden nicht akzeptiert und wir können die ordnungsgemäße Funktion des Dachzeltes nicht garantieren, wenn Änderungen vorgenommen wurden. Wir haften nicht für Schäden, die durch unsachgemäße Installation, Bedienung oder Änderungen verursacht wurden. Fjordsen kann nicht für Unfälle oder Schäden am Fahrzeug oder Sachschäden verantwortlich gemacht werden. Die Fjordsen-Garantie deckt nicht ab: Mängel aufgrund von Umständen, die außerhalb der Kontrolle von Fjordsen liegen. Dies umfasst, ohne darauf beschränkt zu sein, den Missbrauch oder die Nichtmontage, Montage oder Verwendung des Produkts oder Zubehörs gemäß den schriftlichen Anweisungen, FAQs und Sicherheitsrichtlinien von Fjordsen.

 Lisez et suivez les instructions et informations ci-dessous avant d'installer la tente de toit Fjordsen LIGHT 140.

AJUSTER

Assemblez et utilisez ce produit après avoir lu et compris les instructions de montage et les consignes de sécurité. Assemblez et assemblez la tente de toit uniquement selon ces instructions d'installation. Les étapes mentionnées et les consignes de sécurité pour l'installation, le fonctionnement et l'utilisation de la tente de toit doivent être suivies. Même les plus petits écarts peuvent entraîner un montage incorrect ou une mauvaise utilisation. Retirez toutes les pièces de l'emballage et posez-les clairement. Chaque étape décrit et montre clairement les pièces nécessaires pour installer la tente de toit Fjordsen LIGHT 140.

SÉCURITÉ ET GARANTIE

N'apportez aucune modification aux pièces fournies. Les demandes de garantie ne sont pas acceptées et nous ne pouvons garantir le bon fonctionnement de la tente de toit si des modifications ont été apportées. Nous ne sommes pas responsables des dommages causés par une installation, un fonctionnement ou des modifications incorrects. Fjordsen ne peut être tenu responsable des accidents ou des dommages au véhicule ou des dommages matériels. La garantie Fjordsen ne couvre pas: les défauts dus à des circonstances indépendantes de la volonté de Fjordsen. Cela comprend, mais sans s'y limiter, une mauvaise utilisation ou un défaut d'assemblage, d'assemblage ou d'utilisation du produit ou des accessoires conformément aux instructions écrites, aux FAQ et aux consignes de sécurité de Fjordsen.

 Lees voordat u de Fjordsen LIGHT 140 daktent gaat monteren de volgende instructies en informatie aandachtig door en handel ernaar.

The placement of the hinge is very important!

FOUR checkpoints:

- A. The sticker that says "Bottom" must actually be UNDER.
- B. So at number 11 and number 12
- C. The hinge must be placed exactly as shown in the drawings.
- D. Look closely at the roundness of the iron plate.

Do you have questions? Call +31 26 20762114 or mail: sales@fjordsen.com

Die Platzierung des Scharniers ist sehr wichtig!

VIER Kontrollpunkte:

- A. Der Aufkleber mit der Aufschrift "Bottom" muss tatsächlich UNTER sein.
- B. Also bei Nummer 11 und Nummer 12
- C. Das Scharnier muss genau wie in den Zeichnungen gezeigt platziert werden.
- D. Sehen Sie sich die Rundheit der Eisenplatte genau an.

Haben Sie Fragen? Rufen Sie +31 26 20762114 an oder senden Sie eine E-Mail an sales@fjordsen.com

Le placement de la charnière est très important!

QUATRE points de contrôle:

- A. L'autocollant qui dit "Bottom" doit être EN DESSOUS.
- B. Donc au numéro 11 et au numéro 12
- C. La charnière doit être placée exactement comme indiqué sur les dessins.
- D. Regardez attentivement la rondeur de la plaque de fer.

Avez-vous des questions? Appelez le +31 26 20762114 ou envoyez un e-mail à sales@fjordsen.com

De plaatsing van het scharnier is zeer belangrijk!

VIER controlepunten:

- A. De sticker waarop staat "Bottom" moet daadwerkelijk ONDER liggen.
- B. Dus op nummer 11 en nummer 12
- C. Het scharnier moet exact geplaatst worden zoals getoond wordt op de tekeningen.
- D. Kijk goed naar de ronding van het ijzeren plaatje.
